III 5	This response explains why the NRA may solicit or receive assets that some donors intend to be sold rather than maintained permanently. When donors intend their gifts of firearms to be sold rather than held for exhibition or research in the collections of the NRA Museum, the NRA partners with auctionhouses. Donors may choose to have guns sold for various reasons, such as to support current program services or to fund a charitable gift annuity or charitable trust with one of the NRAs affiliated charities. The philanthropic intent of each donor determines how a gift is handled.
