What would you do about homelessness if you were Mayor of Los Angeles?

What would you do about homelessness in the short-term?

1. Housing	
housing for mentally ill and homeless (not SRO)	use coordinated entry system/scores to house based on need
put homeless into vacant lots for emergency housing	facilities need to be cleaner and better staffed
more buildings/shelters for ppl waiting for housing	get help from corporations to get housing. housing now
housing for ppl w mental health issue	restaff winter shelter. cleaner + better staff- ppl are
\$ for community housing, SRO, section 8; more vouchers	mor places to stay
current system for housing is inefficients	housing
need more affordable housing	housing
more affordable housing	roof over people's head
housing ASAP	secure housing
more shelters and places to sleep	more shelters to move ppl out of the streets
housing	housing
make it easier to get housing	more nighttime shelters without curfews
more shelters, more staff; improve current shelters	relocate SROs- buildings are old and rat/bug infested
each week move homeless ppl into secure housing	shelter especially during cold weather
affordable housing & assistance to maintain housing	expand project room key & safe haven. provide safe places
longterm housing	housing- single apartment
turn old buildings/hotels into housing/aptmt buildings	charge ppl money for shelters
rehabilitate homess & put them in shelters	clean shelters
better workers who will make a difference in shelters	apartments for women and children
fire shelter workers who aren't doing their job	open city buildings for housing- let ppl choose where to go
temporary housing faster	shelter and housing
